# Unique orthodontic event

In June 2019, the orthodontist interested in international state-of-the-art orthodontics can experience a unique congress; the merger of two top-class events into one unique event!

From the 14th to the 15th of June 2019 Bonn is all about:

**„BEGG meets BENEFit“!**

For one, the European Society for Lightwire Begg Technique - in short, the EBSO **European Begg Society** of Orthodontics - which celebrated 50 years in Amsterdam in 2017 will host its biennial congress in Germany. Secondly, on the occasion of the tenth anniversary of the **BENEFit Users' Meeting**, which attracts hundreds of colleagues each year, EBSO President Dr. Björn Ludwig and Professor Dr. Benedict Wilmes, President of the BENEFit Users' Meeting, decided to create a special high-profile orthodontic meeting:

**BEGG meets BENEFit. Tradition meets innovation.**

**Two top-class events.  
One orthodontic congress.**
